

Hi Kids!
Do you have a friend or
relative who is grieving
over the death of a
loved one?
You can practice
COMPASSION
for them!

Compassion comes from your loving heart. It's a warm feeling of understanding that someone is hurting. You show compassion when you take the time to listen to someone tell about their hurt- without thinking that there's something wrong. Just listening with a loving heart- helps!

In the frame to
the right, draw a
picture of yourself
with someone who
could use some
COMPASSION.
Then draw a heart
around the two
of you!
