

Hi Kids! Are you feeling “dragged-down” because someone you love has died and won’t be spending Thanksgiving Day with you?

You can lift your “wings” and feel better!
Fill out the card below, saying “Thank you” to to your special loved one for all the wonderful memories you have of him/her.
Cut out the card and bring it to your Thanksgiving dinner.
You may want to read it aloud at the table.

Dear _____,

Thank you for _____

I miss you and love you forever!
