

Hi Kids! **HAPPY VALENTINE'S DAY!**  
Here's a clock to remind you that there is never a time when you can't **LOVE** the people and pets, who have died.  
On this clock, write the names or draw pictures of everyone you **LOVE**, including those who have died.

Say these words aloud to discover just how powerful Love is!

**The Power of LOVE is always mine  
I share this LOVE all the time!**
